Owen Parkhouse  
President, Morell - St. Peter's Legion

My dad, Richard Flynn, donated the lot next to his childhood home in St Peters Bay PEI to make room for construction of the UPEI Climate Lab.

This amazing facility brings UPEI to the village where he grew up. Today we visited the site for the first time.

## **Reminder: Last chance for PEI National Park Early Bird Pass Sales**

Parks Canada is offering season entry passes for Prince Edward Island National Park at discounted rates prior to the beginning of the 2021 operating season. Season passes offer unlimited access to PEI National Park’s stunning supervised beaches, over 50 km of trails, special events, summer programs, and well-maintained visitor facilities.

Early bird passes are on sale from April 1 to June 15, 2021 at a price of \$50.08 for a family/group pass. Individual adult (\$20.03) and senior (\$17.48) early bird seasonal passes are also available. Youth 17 and under enjoy free admission to all places administered by Parks Canada. Visitors are encouraged to purchase their passes online at [www.parksorders.ca](http://www.parksorders.ca).

Passes are also available for purchase at Ardgowan National Historic Site, 2 Palmers Lane in Charlottetown, Monday to Friday from 8:30 a.m to 4:30 p.m. Passes will be available for purchase in person at the Greenwich Visitor Centre starting on June 10th, 2021. Entrance fees collected are invested directly back into Parks Canada’s activities and visitor facility improvements at PEI National Park.

## **2021 Operational Season Updates**

This year, Parks Canada PEI looks forward to safely welcoming visitors back to their favourite treasured places. All public washrooms will be open, with expanded hours from what was on offer 2020, and all COVID-19 mitigations and cleaning protocols in place. Some closures that were in place last year, such as the Ross Lane beach access, will be open, although shower facilities in day use area complexes remain closed at this time. Interpretive programming will be back on offer, including a new weekly Learn-to-Camp program in Cavendish. On June 21, Parks Canada PEI is also proud to launch the *Park Promise*. Grounded in First Nations teachings and symbolism, the *Promise* relates to how anyone can make a positive difference by caring for themselves and the environment – while visiting PEI National Park and beyond. The *Park Promise* embodies our own hopes for a healthier, more sustainable future, and Parks Canada invites everyone to make the *Promise* and share their commitment to environmental stewardship. Learn more at [parksCanada.gc.ca/pei-parkpromise](http://parksCanada.gc.ca/pei-parkpromise).

Green Gables Heritage Place will be open from 10am to 4pm daily beginning June 1. Visitors to Green Gables in 2021 will include an opportunity to discover fascinating interpretive exhibits in the new Visitor Centre, explore the beautiful grounds and woodland trails, and visit the house that inspired the setting of *Anne of Green Gables*. Access to the house will again be limited to small numbers, allowing a more intimate experience, and interpretive activities and programs will be back on offer at the site this year.

## **Visitor Service Offer at Greenwich, PEI National Park**

## **Domestic Animal Regulations in Effect as of April 1**

In order to provide a safe environment for visitors and to protect wildlife and their habitats, domestic animals – including dogs, cats, and horses – are not permitted on the beaches of PEI National Park from April 1 to October 15, 2021. The presence of domestic animals on beaches can disrupt wildlife, such as young animals and birds, including the breeding activity of the endangered Piping Plover, which nest on the ground. Anyone caught breaking this law will be subject to a minimum fine of \$100. Dogs are permitted in all other outdoor areas of the park, and visitors are reminded that all pets must be on a leash (maximum length 3 metres) at all times and owners are required to clean up after their pet.

## **Keeping each other safe**

Parks Canada is following the advice and guidance of public health experts and continues to make every effort to limit the spread of COVID-19. Parks Canada continues to ask visitors to practice good trail etiquette and respect two-meter physical distancing as well as enhanced hygiene requirements when they visit places administered by Parks Canada on PEI. Visitors should be prepared to be self-sufficient when they visit, bring their own water and food, and pack extra hygiene supplies such as hand sanitizer and wipes. Visitors should also pack out any refuse from locations where no waste receptacles are available.

Park Wardens remain on duty seven days per week throughout the year. In case of an emergency in the national park, call 911. Visitors who wish to report a non-emergency issue (e.g., facility damage, wildlife concern, law enforcement issue) can call Parks Canada Dispatch at 1-877-852-3100.

Please visit [parksCanada.gc.ca/pei](http://parksCanada.gc.ca/pei) and @PEInationalpark on Facebook to find out what is open, what you can expect, and how to prepare for your visit. If you have comments or inquiries, you may contact A/External Relations Manager Jennifer Stewart at [Jennifer.stewart@canada.ca](mailto:Jennifer.stewart@canada.ca).

It is hard to believe that we are in full swing as time seems to fly by during our summer season. Our summer students are hard at work trying to keep our community looking wonderful. The Courthouse theatre has put on some wonderful shows and musical event during the month of July and will continue to bring different programs to this community. Great Response from the community for the Dolly Parton and Noah Malcom live in concert. Stay tune for more shows to come. The Landing shops are open and we encourage our community to stop by and support local business. Great to see the parking lot at the Landing shops is getting really busy. The SPADC is currently looking for volunteers to join our team and make a difference in our community. One of the positions we are looking to fill in is secretary, so come on out and put your best foot forward to help our community grow. **Canadian Red Cross Health Equipment Loan Program**

The Health Equipment Loan Program (HELP) of the Canadian Red Cross allows people to return home from hospital earlier or recover more safely at home from serious injury, illness or surgery, and gives independence and dignity to those in palliative care.

Individuals can receive short-term loans of mobility and safety devices such as wheelchairs, walkers, bath seats, benches, commodes and toilet seats, crutches and canes, bed handles and other durable medical equipment.

There is no charge for loans but a written referral outlining what items are needed is required from a doctor or other medical professional.

### This Month's Safety Tips:

· Being prepared for those common summer hazards 'sunburns, insect bites and the occasional bump, bruise and scrape 'starts with having the right attitude. "It's not a case of 'if' something happens but 'when it happens, how am I going to manage it? The best thing that you can do is to have a well-stocked first-aid kit on hand. You can purchase basic first aid kits at most department stores and then customize it by adding additional items according to the age and activities of your target group.

· Eat lighter, water rich foods during the summer such as fresh fruit, vegetables and yogurt. Keep portions on the smaller size, as the body will produce less heat when digesting. Alcohol and caffeine both dehydrate the body, so avoid or minimize their consumption.

The St. Peter's Fire Department wants to wish everyone an Enjoyable Blueberry Festival!!
